## OTHER OPTIONS:

We are seeking **door prizes** to provide to participants. If you cannot support us on a large scale you could consider donating a small item that we could add to our door prizes. You will be recognized with a public address announcement at the event. Higher valued "grand prizes" can be attributed to a major or silver sponsor level if you wish.

Provide us with 200 units of a small **promotional item** that we can include in "goody bags", given to the first 200 people to register at the walk.

Your business can **set up a display at our event**. We have between 200 and 300 participants that will visit your display. This avenue is especially beneficial for companies with canine related products.

Cost for display space:

\$30 self-contained

(You provide your own table and chairs, and pop-up tent or shelter if desired)

\$100 table rental

(We provide you with a six-foot table and two chairs)

\$400 display rental

(We provide you with a six-foot table, two chairs, and a 10x10 pop-up tent for shelter)
